

Intel Teach Programme at Shivpuri MP INDIA

Intel Teach Programme was started in Shivpuri on August 2, 2008 in a formal program held Collectorate Meeting hall. In this meeting Mr Manav Subodh, Mr Shriniwas, Ms Ambika Khurana, Mr Neeraj Mittle, IAS PS to MOS were present apart from schools principals and head masters and teachers from govt schools as well as of private schools.

On August 20, 2008 the first Principal session was conducted. First batch of teacher training for Master Trainers was started on 25th August 2008. Till now 113 MT from 99 schools have been trained. These 99 MTs have further trained 900 plus teachers in their respective schools.

During these training sessions, 5 Principals session were conducted facilitating 71 Principals.

Intel has donated 45 PC of HCL which was further distributed to four institution through a committee formed by District Collector.
